

## EXHIBITORS OUTLINE

<p>Stand 1</p> <p><b>Warmworks</b></p>	<p>Warmworks is a joint venture partnership between Energy Saving Trust, Everwarm and Changeworks.</p> <p>We are committed to providing affordable warmth to homes, families and communities across the country.</p> <p>Since 2015, Warmworks has supported more than 35,000 households in Scotland as the Managing Agent of the Scottish Government's national fuel poverty scheme, Warmer Homes Scotland.</p>
<p>Stand 2</p> <p><b>SP Energy Networks</b></p>	<p>SP Energy Networks are the electricity distribution network for Central and Southern Scotland, North Wales, Merseyside, Cheshire, and North Shropshire. We aim to provide support to vulnerable customers during a power cut by registering them on the Priority Services Register and we offer additional services to help combat Fuel Poverty.</p>
<p>Stand 3</p> <p><b>Home Energy Scotland</b></p>	<p>Funded by the Scottish Government, Home Energy Scotland offers free and impartial energy efficiency advice to householders, community groups, businesses and the public sector across Scotland. Advisors can direct you to grants and other support that you might be eligible for and can provide advice on being energy efficient.</p>
<p>Stand 4</p> <p><b>SGN</b></p>	<p>SGN operate three distribution networks in Scotland, Southern England and Northern Ireland and supply natural and green gas to 5.9 million homes and businesses.</p> <p>We attend 170,000 emergency callouts each year performing an essential 24/7 service for our communities by keeping everyone safe and warm.</p> <p>Between 2021 and 2026, we've committed to supporting 500,000 vulnerable customers to use energy safely, efficiently and affordably. To date we have supported 223,004 households.</p>

<p>Stand 5</p> <p><b>ScottishPower</b></p>	<p>At ScottishPower we aim to keep what's important to you, our customers, at the front of our minds in everything we do.</p> <p>Members of our Government Obligations Team will be happy to discuss the support and funding available for vulnerable households at our stand through the EAS Conference.</p>
<p>Stand 6</p> <p><b>Scottish and Southern Electricity Networks</b></p>	<p>Scottish and Southern Electricity Networks are made up of Scottish Hydro Electric Power Distribution (SHEPD) and Southern Electric Power Distribution (SEPD), we are responsible for safely and reliably maintaining the electricity distribution networks supplying over 3.9million homes and businesses across Central Southern England and the north of Scotland including remote island communities.</p>
<p>Stand 7</p> <p><b>GTi Direct Ltd</b></p>	<p>Serving The Energy Efficiency Industry For 3 Decades</p> <p>Alleviation of Fuel Poverty has been the main driver behind our core business for almost 30 years and over the past 12 months we have seen the greatest demand ever for assistance, with GTI Direct supplying over 25,000 vulnerable households with low-cost DIY energy saving products and devices, following the impact of the energy and cost of living crisis.</p> <p>We assist in the design and delivery of schemes to deliver low-cost Easy Measures to many Fuel Poor and disadvantaged households to help them save energy and money.</p>
<p>Stand 8</p> <p><b>Scottish Gas</b></p>	<p>Scottish Gas is a leading supplier of energy and services. As part of Centrica, we're working to help our 9million customers live sustainably, simply and affordably, supported by 6,500 engineers. We're investing in the nation's energy security and net zero while delivering the biggest industry package to support customers.</p>

Stand 9

**Utilita**

Utilita Energy – Manage your housing stock the easy way.

We recognise that housing stock across the UK is lying empty due to complications regarding the energy supply to the property. This is why we're on a mission to prioritise properties that are empty to ensure they are on supply, kitted out with smart meters ready for your new tenants to move in.
